## GROUP OF INSTITUTIONS

BERHAMPUR ODISHA INDIA

**25<sup>th</sup>**  
ANNIVERSARY

**ACADEMIC BULLETIN 2021-22**  
Year : 24 / Issue - Special

## **EFFECTIVE ACADEMIC MANAGEMENT**

*At Presidency , the ambit of academics , extend beyond the classroom teaching. For which it regularly and comprehensively keep track of all the academic inputs that are provided to students. This comprises the education , teaching facilities, placement training and also retention of subject learning . Presidency works with a vision of getting the best of the both the teachers as well as the students. Academic Progress Evaluation Committee (APEC) met thrice and presented the progress report for the duration . The meeting was inferred by the Dean ( Academics ) Prof. R. Jena. Throughout the year , the classroom sessions and activities took place, as per the planned schedule . Focus class and Refresher class series executed in a timely manner . Model questions and descriptive answers of every subject was circulated among the students in time. Prof. Rajeswar Jena extended thanks to all Presidencians for their timely Report & cooperation.*

## **ADMINISTRATIVE PERFECTION**

*Presidency transforms and nurtures its students & focused upon their overall development. It fosters students to get ready to face the examinations of the university and excel the same with flying colours. Students are evaluated with a series of Internal Tests and their marks are carried forward to their Final Examination. All the tests were concluded with an extremely satisfying attendance record and performance. These units includes Unit Tests, Subject Presentations , Surprise Tests, VS Tests ,Viva Voice and Promotion Test. The session of 2021-2022 was a complete success in that matter.*

*Dr. S.K. Padhy Director expressed thanks & grateful enough for valued co-operation extended by all.*

## CHAIRMAN'S MESSAGE

Presidency marches since 25 years with patronage of it's Students , Alumini, Parents, Teachers, well wishers and valued cooperation of Govt. Administration & Statutory bodies. It could able to get it's object fulfilled since begining; through it's innovative teaching & quality education. Presidency empowers with satisfaction of Students, Employees & Parents as well. Positining of it's alumini in high level corporate profiles adds anothor feather on it's cape of success. Ample good will & reputation of Presidency ensures pride of the State & the Nation as well.

Next year it is going to celebrate it's 25th year of success. This would be a high level conglomeration of alumini, corporate giants, Verteran professionals,seasoned academicians & students.

I sincerely request the continuing coopration of all to march along with the Presidency & become a part of the educational growth in the national horizon. Being we are with the nobel objective of Presidency which stands for the philanthropic cause of the mankind; I pray Almighty to bestow his blessings throughout. Thanking You

*Prof.Dr. Srinibas Mahapatro*  
Chairman

## CAMPUS TO CORPORATE (C 2 C)

Under the Corporate to Campus programme Corporate Executives and Professional Giants invited to the campus, to share their corporate experience with students.

This year, many corporate houses and their industry leaders visited the Presidency campus and made the students aware of different management skills for better decision making process.

During present academic calendar, Three such C2C (Corporate to Campus) events organised where industry professionals shared their valuable insights of best industry practices and students shared their queries.

### C2C - I (EMAMI)

The first Campus to Corporate programme 2021-22 organised on 2nd October 2021. This programme was inaugurated by Mr. Abhimanyu Prasad Kara, AVP of sales and marketing, Novoco Bhubaneswar. He delivered his speech towards corporate culture. He advised and guided students how their present academics going to play a key role in developing and adapting to the corporate environment. He mentioned about different culture prevalent in the organisation and how students can create a value addition to the same.

### C2C - II (FLIPKART)

The second event organised on 14th Oct 2021. It was inaugurated by, Ms. Supriya Panigraphy Executive from Flipkart. She mentioned regarding different learning and development programmes practised in the organisation and how students can develop themselves for the future challenges and opportunities. She also guided students regarding their career plan and explained in relation to career management and development.

### C2C - III (AXIS BANK)

The third C2C programme, for the academic year was inaugurated on 9th November 2021 by the Deputy VP of Axis Bank, Hyderabad, Mr. Dandapani Sahu. Mr. Sahu is the Alumni of this Presidency College Berhampur. He shared his experience in the corporate world and gave advice & suggestions to the students, for the betterment of their future. He gave his valuable inputs regarding their future prospects and provided valuable feedback to the students queries with respect to proactive steps need for having a successful career in corporate sphere.

## SUMMER INTERNSHIP PROJECT

Like every year, Summer Internship Project completed and submitted to the company as well as institution. Students contributed their time, with the corporate environment as well as gained insights from the industry leaders regarding best practices followed in the recent times, in the industry. Presidency Students performed their SIP in diversified fields across IT, FMCG, BFSI, Marketing and HR which helped them to

grow not only personally but professionally as well. SIP has provided to practise the valuable education and knowledge they received from the curriculum to deliver at the real life scenarios and situations in their job field and in the corporate sector. On 30th Nov 2021, Presidency College organised the valedictory programme of the Summer Internship Project (SIP), for the students of the Presidency College. On this occasion, Industry veteran, from Tata Steel SEZ, Mr. Ashok Kumar Ray, visited the campus of the college. He graced the Occation as the Chief Guest and distributed certificate & the prizes to the students. He provided his best inputs, to the students, to make them ready for their upcoming future in the corporate sector and motivated them with his speech to make them proactive in their approach to take the challenges as opportunities for the growth of the nation.

## IN CHARITY THERE IS NO EXCESS

“Never worry about numbers. Help one person at a time and always start with person nearest to you “ The Greatness is not what you have, It’s all about what you want to give. Keeping this spirit and thinking in mind, heart and soul, Presidencians extended that support. The students and Staff Members all are always ready, happy, spirited and youthful to contribute and share their happiness with others. On the session 2021-2022 the first day of the Charity Week started from the COLLEGE FOUNDATION DAY.

The Charity Week organised, from 1st Nov till 7th Nov every

year. Students, Faculty Members and other administrative people actively took part, in the week long charity work towards the betterment of society and wellbeing of people. This year, various social services works, contributed voluntarily, by all the Students, Faculty Members along with the Admin Staffs of the college, on different dates. These programmes are being arranged by the college every year, during college foundation day.

## EVERY TOMORROW NEEDS A BLOOD DONOR TODAY

“We cannot revive a dead body to a living soul, but can atleast save a living soul”. We can save someone’s life, by giving some drops of our own blood. Taking this noble initiative forward, Presidencians organised a blood donation camp on 1st Nov 2021. On the eve of College Foundation Day, a mega Blood Donation Camp organised. Dr. Abhishek Sahu & Dr. Smita Rani Sahu, were invited as

the guests of the programme. All the staff members of the college, took part, in the noble cause, of Blood Donation & donated blood handed over to the Red Cross Blood Bank of MKCG Medical College, Berhampur. Mr. Sushil Kumar Pradhan, Branch Manager of Sambad, appreciated the noble deeds of students.

## PRESIDENCY THEME 2021

Presidency college declares the College Theme in every year. Students proposes different theme lines & out of which the best selected theme considered as theme of the corresponding year.

This year Theme presentation competition took place with zeal & enthusiasm . Students participated in large numbers to contribute towards a Suitable theme of the year . Theme presentation event took place on 23rd Sept. 2021 , to select the best theme.

Theme presented by Ms. Vasundhara Patro was selected & declared to be the winner of Theme presentation 2021-22.

The theme of the year "PRESIDENCY...WHERE THOUGHT GET WINGS" has been approved adopted.

## INTERNATIONAL WOMEN'S DAY (8TH MARCH 2022)

### VIRAGO

Ms. Boryana Hristova, CEO- International Women Connected (IWC), Belgium was the guest of Special Eminence. In this session, few resolutions taken-up to protect the women sector.

### ADOPTION IS THE LOVING ACTION

Work for a social cause is a tradition for all Presidency members. Displaying such honour and vigour, Presidency Members took a forward step towards a social cause to build the society towards a better tomorrow

The covid 19 pandemic has resulted in severe disruptions in the Society& around the world. Young people are particularly vulnerable to it. Several persons lost their near and dear ones during the period. Among them many children lost their father, mother or both of their parents. Many children became orphan and helpless .At this crucial juncture of their life, Presidencians came forward and contributed towards their responsibility for the society & people .Presidency College adopted three orphan girls & took charge of their Education, Living, Career and their overall wellbeing for making them a succesful person in their life. They are Miss. Rubita, Miss. Jhansi & Miss. Sonali; who got their hope & confidence under this charitable movement of the Presidency College.

## REPUBLIC DAY

The Republic day 2022 observed differently with involvement of teachers & Staff of the Presidency College.

Because of Pandemic shutdown students observed this special day at their respective residence but Teachers & staff joined at the College and observed this

important day differently. Teachers presented with different costumes of Freedom Fighters & described about their historic contribution towards the motherland. Besides they participated in other programmes like Patriotic Song and Dance . The Republic Day , started with the Flag hosting by Chairman Dr. Srinibas Mahapatro and adressed the gathering. Mr. Somraj Mahapatra recieved the exclusive Award & Citation for his innovative Presentation.

## CAMPUS SELECTION 2021-22

The Prime Focus of the Presidency College is to prove the quality education through Campus Placement. It has upkeep its record since the decade & proved above 76% Placements for its separately registered students. Many Multinationals & Overseas Companies have shown their interest & conducting the Campus Placement Drive at different time. Effective professionalism & dedication of our students made the recrutiers delighted to visit the Presidency College on every year. The Placement Training process of the College, where students are being trained from their first semester onwards; resulted into their self sufficient & Corporate treatment before end of their course tenure. The systematic effort of the College through the Training & Placement Centre being headed exclusively by the seasoned Placement Officer; made our students competent to get along smoothly with their placed Companies. The following Companies have conducted the Placement Drive during the year 2021-22.
