# Chairman's Message

Dear Prospective Students,

It is my pleasure to welcome you to the **PRESIDENCY GROUP OF INSTITUTIONS**, a premier platform of higher education that is committed to academic excellence, placement, and social responsibility. As the Chairman of the governing body, I take pride in the college's rich history of 25 years, achievements, and future prospects. Since its inception, it has been a pioneer in providing quality education in the field Management & IT. Our faculty members are committed to providing a world-class learning experience to our students. We have state-of-the-art facilities and resources that foster creativity, innovation, and collaboration

We are committed to nurturing the intellectual, social, and emotional development of our students. We believe that education is not just about acquiring knowledge but also about developing critical thinking, developing critical thinking, leadership skills, and ethical values that are essential for success in life. We encourage our students to explore their interests and passions and participate in all activities that broaden their horizon. As we move forward, we recognize the challenges and opportunities facing the education sector and we are committed to staying at the forefront of innovation and excellence. We are expanding our academic programs and industry partnerships to provide our students a holistic education that prepares them for the challenges of the 21st century.

## About Us

Welcome to the prestigious Presidency Group of Institutions, where we uphold the noble objective of providing world-class education with a holistic approach. Our distinguished group comprises of renowned institutions, including Presidency College, Presidency College Berhampur, College of Business Administration, NIAS, and SET, which have collaborated to ensure a seamless and exemplary educational experience for our students.

We are proud to have pioneered the BBA course in Odisha 25 years ago in 1998 and since then, our institution has been functioning with utmost success, garnering the admiration of students, parents and the public. We are proud to offer now a range of courses including undergraduate programs such as BBA and BCA, which provide a strong foundation for your academic and professional pursuits. Our Post graduate courses such as MCA, PGDM, MBA, MSW, PGRM, MSc(Comp Sc), PGDM in Agri Business and PGDM in Aviation & Airport Management; based on job oriented advanced training which equip our students with the knowledge and skills needed to succeed in today's rapidly changing global landscape.

Our unwavering commitment to excellence is evident in the numerous talented individuals we have placed in top-notch companies many of whom hold leadership positions in leading corporate sectors. Our laudable reputation has been bolstered by numerous accolades and achievements across the country and our students consistently secure top positions in university examinations.

With 25 years of experience, we have honed our skills and techniques to provide unparalleled quality education for our students. Our inclusion of add-on courses and our relentless focus on placement and university positions serve as testaments to our commitment to delivering a world-class education.

At the esteemed Presidency Group of Institutions, we are revered as one of the premier institutions in the country and we are dedicated to fostering an environment of excellence, innovation, and intellectual curiosity.

## Vision Mission & Philosophy

The presidency's vision is not only to provide our students with a comprehensive education but also to empower them with the skills and knowledge they need to become self-sufficient and successful in their careers. We believe in a placement-oriented approach that is designed to connect our students with the best possible job opportunities after graduation.

Our mission is to provide a world-class education that combines academic rigor with practical relevance. We aim to create a learning environment that encourages creativity, critical thinking, and teamwork. We strive to empower our students to become effective leaders who are capable of driving innovation and change in their organizations and communities.

Philosophy : Presidency College believes in providing a holistic education that prepares students to be ethical and responsible leaders in the global business world. We believe that education should not only impart knowledge and skills but also foster a spirit of employability, innovation, entrepreneurship and social responsibility.

## Course Delivery System

At PRESIDENCY, we are committed to providing our students with a world-class education that prepares them for the challenges and opportunities of the global marketplace. Our course delivery system is designed to ensure that our students receive a holistic education that is both rigorous and relevant. Our faculty members are experts in their respective fields and are committed to creating a learning environment that is engaging, challenging, and stimulating.

We use a variety of teaching methodologies to cater to different learning styles and preferences. Our classroom lectures are supplemented with case studies, simulations, role-plays, and group projects to provide our students with a hands-on learning experience. We also use technology extensively in our course delivery system, with online resources, video lectures and webinars to enhance the learning experience.

Our curriculum is regularly updated to align with the latest trends and developments. We work closely with industry experts and practitioners to ensure that our curriculum is relevant placement based and up-to-date. We also place a strong emphasis on experiential learning, with internships, industry visits, and live projects that provide our students with a practical understanding of the concepts and theories learned in the classroom. This exposure to the industry also helps our students to develop their professional network and gain a competitive edge in the job market.

## ADD-ON

PRESIDENCY COLLEGE offers a range of Add-On courses that supplement the core curriculum and provide students with specialized skills and knowledge that enhance their employability and career prospects. Add-On courses are designed to provide students with an edge in the competitive job market and prepare them for the challenges of the rapidly changing business landscape. These courses are taught by industry experts and experienced faculty members who bring real-world perspectives and practical insights into the classroom. Our Add-On courses are structured as short-term programs that run parallel to our core curriculum, allowing our students to acquire specialized skills without disrupting their academic schedule. The courses are delivered through a combination of classroom lectures, On-line classes, hands-on projects, and industry visits, enabling our students to apply the concepts they learn in a real-world setting. Our Add-On courses are a testament of our commitment, providing our students with specialized skills and knowledge that enhance their academic and professional growth. We are constantly updating and expanding our Add-On courses to stay at the forefront of innovation and excellence in the field of management and IT education.

# University Ranks

At PRESIDENCY, we take great pride in the achievements of our students, who consistently perform exceptionally well in university-level examinations. Over the past 25 years, our students have secured top ranks and positions in university examinations and earning us a reputation as a premier institution for higher education. We are committed to providing our students with a rigorous and relevant curriculum that equips them with the knowledge and skills required to succeed in their chosen careers. We also place a strong emphasis on practical learning, with internships, live projects, and industry visits that provide our students with hands-on experience and exposure to the industry. This practical exposure helps our students to develop a deep understanding of the concepts and theories learned in the classroom and prepares them for the challenges and opportunities of the global marketplace.

# Infrastructure

Infrastructure plays a critical role in providing a conducive learning environment that fosters academic excellence and industry engagement. At PRESIDENCY we pride to have our state-of-the-art infrastructure that includes modern classrooms, well-equipped labs and advanced technology platforms. Our campus is designed to be environmentally friendly with green spaces, water conservation measures, and energy-efficient systems that minimize our carbon footprints. Our classrooms are designed to facilitate interactive and collaborative learning, with ergonomically designed furniture, audio-visual aids, and high-speed internet connectivity. Our labs are equipped with the latest software and hardware tools that enable our students to experiment, innovate, and develop new solutions to complex business challenges. Auditoriums and conference halls are equipped with advanced audio-visual systems, stage lighting, and comfortable seating arrangements that make them ideal for hosting seminars, guest lectures, and industry events. We also have a dedicated library that houses a vast collection of books, journals, and digital resources that support our academic programs. Overall, our infrastructure is a testament to our commitment to providing a world-class learning experience that prepares our students for the challenges of the 21st century. We are constantly upgrading and expanding our infrastructure to stay at the forefront of innovation and excellence.

# Placements

PRESIDENCY has a robust placement facility that is dedicated to helping our students secure top-notch job opportunities in leading organizations across various industries. We have an active placement cell that works closely with our students to develop their skills, groom their personalities, and connect them with potential employers. We organize regular training sessions, workshops, and guest lectures to prepare our students for the recruitment process and to equip them with the skills and knowledge required by industry. Our placement cell has an extensive network of contacts across various industries, and we regularly invite top companies to our campus for recruitment drives. We are proud of our placement track record, and our alumni are currently working in leading companies across the globe.

# AWARDS

PRESIDENCY COLLEGE has consistently been ranked among the top management and IT colleges in the country. Our commitment to academic excellence and innovation has enabled us to earn a reputation as a premier institution for higher education. Over the years, we have received numerous accolades and recognitions from prestigious organizations and publications. We have been consistently ranked among by leading organisations. We take great pride in these rankings and recognitions, as they are a testament to the hard work and dedication of our faculty, staff, students, and alumni. We believe that these rankings are an affirmation of our commitment to providing a world-class education that prepares our students for the challenges and opportunities of the global market place. We do not view these rankings as a final destination but as a motivation to continue our journey towards academic excellence and innovation. We are constantly striving to improve our curriculum, infrastructure, and teaching methodologies to stay abreast of the latest trends and developments in the field of Management & IT

# Computer & IT Lab

The computer lab facility is equipped with state-of-the-art hardware and software, offering students access to the latest technology and tools to enhance their learning experience. Our lab is equipped with high-speed internet connectivity, enabling students to stay connected and access the latest information from anywhere, at any time. We have a team of experienced IT professionals who manage the lab and offer support to students. Our lab is available to students for practical sessions, programming assignments, research, and other activities, ensuring that they are fully equipped with the skills and knowledge necessary to succeed in today's technology-driven world.

# Library

The Library at our College is a hub of knowledge and information, with a vast collection of books covering a wide range of subjects, from management to information technology. Our library is staffed by dedicated professionals who offer services such as document delivery and reference services to ensure our students have access to the information they need to succeed. Our modern, state-of-the-art building offers ample space for individual and group study, with a peaceful atmosphere that encourages concentration and focus.

# Placement Centre

In Presidency College, we take great pride in our Training & Placement centre's contribution to our students' success. Our Centre acts as a bridge between our students and the industry, connecting them with leading organizations and providing them with the necessary skills and knowledge to excel in their careers. This Centre works closely with industry trends and develops training curriculum that aligns with the needs of the industry. We also organize guest lectures, workshops, and seminars that bring industry experts to our campus and provide our students with insights into the latest developments and practices in the industry.

Our T&P Centre also provides our students with personalized career guidance and counselling, helping them identify their strengths and interests and providing them with the necessary support to achieve their career goals. We also organize mock interviews, group discussions, and personality development sessions that equip our students with the necessary skills and confidence to excel in job interviews and professional settings. At Presidency College, we have a strong track record of placing our students in leading companies and organizations across various industries. Our alumni network is a testament to the success of our Training & Placement Centre, with our graduates occupying top positions in various companies and organizations worldwide.

Students at Muthoot Fincorp Campus Placement Drive

# Personality Development

We believe that personality development is an essential part of students' overall growth and development. We have a dedicated Personality Development Cell that is designed to help our students become confident, well-rounded individuals who are equipped with the skills and knowledge required to succeed in the corporate world. Our cell provides students with access to a range of resources, including workshops, seminars, guest lectures, and more, to help them enhance their communication skills, leadership abilities, team building skills, and overall personality. We also have experienced trainers who work closely with students to help them identify their strengths and weaknesses, and to provide personalized guidance and support to help them achieve their goals. We believe that a strong personality is a key factor in achieving success in any field, and our Personality Development Cell plays a vital role in shaping the future of our students.

# Training Centre

We have a dedicated Training Centre that is designed to help our students develop their soft skills, communication abilities, and overall personality. We have a team of experienced trainers who work closely with students to provide training in areas such as public speaking, business communication, team building, leadership, and more.

# Alumni Support

Success history of 25 years of our college, gifted us a strong and active Alumni network that provides support and guidance to our students. Our Alumni comprises successful professionals from various fields, including business, finance, technology, and more. Through regular networking events, seminars, and workshops, our alumni provide our current students with valuable insights and advice on career planning, job opportunities, and industry trends. Our Alumni Association also offers mentoring programs, internships, and job placements to help our students kick-start their careers. Our alumni take great pride in their alma mater and remain connected with our institution, offering support and guidance to our students for years to come.

# Chai Pe

We believe that executive interaction is an essential part of our students' learning experience. To facilitate this, we have a unique program called "Chai Pe Programme" where our students get to interact with top-level executives from various industries over a cup of tea. This program provides a platform for our students to learn from real-world experiences and insights, as these executives share their knowledge and experience with our students. Through these interactions, our students gain a better understanding of the corporate world, its challenges, and opportunities. Our "Chai Pe Programme" has become a hallmark of our institution, providing our students with a unique and enriching learning experience that helps them build the skills and knowledge required to succeed in their chosen careers.

## Industrial Tour

With our 25 year experience, we understand the importance of practical exposure at the industry. We organize regular industrial tours and unit visits for our students to various manufacturing and service industries. These tours provide our students with first-hand experience of how organizations function and how business strategies are implemented in real-world scenarios.

During these visits, our students get to interact with industry experts, learn about the latest technologies and processes, and gain insights into the challenges faced by organizations. Through these visits, our students not only learn about the industry but also develop their networking skills and build relationships with industry professionals.

These industrial tours and unit visits have become an integral part of our curriculum, providing our students with a well-rounded education that prepares them for the challenges of the corporate world.

## Talent Hunt Programme

We recognize that every student has unique talents and skills that need to be nurtured and developed. To facilitate this, we have a Talent Hunt and Recognition Programme that encourages our students to showcase their skills and talents in various fields of social, cultural, professional & academics. This program provides a platform for our students to showcase their talents and gain recognition for their achievements. The program is designed to help students build their confidence and develop their skills, which are essential for success in any career. We also offer various rewards and incentives to our students who excel in their respective fields, which further motivates them to pursue their passions. The Talent Hunt and Recognition Programme is an integral part of our institution, promoting creativity, innovation, and excellence among our students.

## Other Programmes

**UNIT VISIT:** Full day in the industry. Twice a year, students have the opportunity to experience the real world by visiting different industries, including Vizag Steel Plant, IRE, Heritage Foods, -----, and more, under the guidance of senior faculty. These unit visits provide valuable experience and make our students well-equipped for the professional world.

**SPORTS:** We believe that "health is wealth," so we organize an annual sports day every year in February to keep our students fit and healthy. Students are awarded based on their performance on the same day of the event.

**CHARITY PROGRAM:** Every year, in the first week of November, Presidency College organizes a charity week. Throughout the week, the college visits, after class time, different orphan centers, old-age homes, etc., and spends the whole day with them. We try to make them happy and fulfill their needs to the best of our ability.

**CAMPUS TO CORPORATE:** Experience the real-world environment and prepare for your future career with our exclusive Campus to Corporate program. This year, we've successfully organized C2C programs for our students

## Visitors

We are committed to providing our students with a holistic education that prepares them for the challenges and opportunities of the global marketplace. As part of this commitment, we regularly invite high-profile professionals, executives, corporate heads, philanthropists, and social activists to address our students and share their insights and experiences. Over the past 25 years, we have had the privilege of hosting some of the most prominent names in business, industry, and public life. Our guests have included CEOs, renowned philanthropists, leading academics, and social activists who have made a significant impact on society. These interactions provide our students with a unique opportunity to learn from the experiences of these distinguished individuals and gain valuable insights into the workings of the corporate world and society at large. Our guests also offer our students valuable career guidance and advice, helping them to chart a successful path in their chosen fields.
