ACADEMIC BULLETIN 2022-23

Year : 25 / Issue - Special

CHAIRMAN'S MESSAGE

For a remarkable span of 25 years, Presidency has forged ahead with the unwavering support of its students, alumni, parents, teachers, well-wishers and the valued cooperation of government administration and statutory bodies. From its inception, the institution has successfully realized its objectives through innovative teaching methods and a commitment to providing quality education. Presidency takes pride in empowering not only its students but also its employees and parents, creating a deeply satisfying educational environment.

The notable achievements of Presidency alumni, who have ascended to high-level corporate profiles, further contribute to the institution's success story. The ample goodwill and reputation that Presidency enjoys ensure not only the pride of the State but also of the entire nation. As we approach the milestone of celebrating our 26th year of success next year, we anticipate a grand conglomeration of alumni, corporate giants, veteran professionals, seasoned academicians, and current students.

I extend a sincere request for the continued cooperation of all Presidencians to be an integral part of the educational growth on the national horizon. Together, let us contribute to the noble objective of Presidency, which stands for the philanthropic cause of mankind. As we embark on this journey, I earnestly pray to the Almighty to bestow His blessings upon us throughout.

Thank you. - Prof. Dr. Srinibas Mahapatro – Chairman

ADMINISTRATIVE PERFECTION

Presidency College is committed to ensuring administrative excellence in all facets of its operations. As part of our commitment to upholding the highest standards, we diligently adhered to all statutory compliances with the Government of Odisha, AICTE, and affiliated Universities. We are grateful for timely approvals received from these governing bodies, which played a pivotal role in facilitating the smooth administration of all academic matters within the college.

This dedication to compliance and administrative efficiency has been instrumental in fostering an environment where students can thrive. Our emphasis on comprehensive student development extends to preparing them to excel in university examinations. During the academic session of 2022-2023, we achieved significant success in this endeavor.

Furthermore, we are proud to acknowledge the numerous appreciations received from both parents and the public. Their commendations highlight the high quality of our academic delivery system, affirming our commitment to excellence and reinforcing our tagline - "Where Thought Gets Wings." This positive feedback inspires us to continually strive for excellence in all aspects of academic administration at Presidency College.

EFFECTIVE ACADEMIC MANAGEMENT

Presidency College Berhampur Odisha goes beyond traditional classroom teaching by actively managing various academic aspects. It consistently and comprehensively monitors all academic inputs provided to students, including education, teaching facilities, placement training and the retention of subject learning. The institution is dedicated to achieving excellence from both teachers and students.

The Academic Progress Evaluation Committee (APEC) convened three times during the period, presenting a comprehensive progress report. Chaired by Prof. R. Jena, the Dean (Academics), the committee reviewed classroom sessions, activities, and adhered to the planned schedule throughout the year. Timely execution of Focus and Refresher class series occurred, along with the distribution of model questions and descriptive answers for each subject.

Prof. Rajeswar Jena expressed gratitude to all members of the Presidency community for their punctuality in reporting and cooperation.
